COURSE DESCRIPTION

This course provides a first time offered, unique opportunity to receive 17.5 hours of exclusive instruction from Dr. David Stoller, the author of the preeminent textbooks on orthopedic imaging, including:

Magnetic Resonance Imaging in Orthopaedics and Sports Medicine 3rd Edition
Diagnostic Imaging Orthopaedics
Pocket Radiologist Orthopaedics
MRI in Orthopaedics and Rheumatology
MRI, Arthroscopy, and Surgical Anatomy of the Joints
Stoller’s Atlas of Orthopaedics and Sports Medicine
The Interactive Knee, Shoulder, Hip, Ankle, Foot and Wrist CDs (Primal Pictures)
The Virtual Radiology Fellowship (online and DVDs)

STOLLER
A Comprehensive Tutorial in Musculoskeletal Imaging
Using the Stoller Checklist Technique
18 Sessions of Didactic Lectures and Case-by-Case Tutorials
October 28-30, 2010
Wynn Las Vegas

TARGET AUDIENCE

• Board certified general radiologists and trainees interested in musculoskeletal imaging
• Orthopedic Surgeons
• Radiology fellows in training
• MRI Technologists
• Practicing physicians in sports medicine and related clinical subspecialties who desire to familiarize themselves with the current role of imaging in patient evaluation
• Allied health care professionals who desire to have an update on the state of current imaging as an aid to patient management for diseases of the musculoskeletal system

ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Areas and Policies of Nevada State Medical Association through the joint sponsorship of University Medical Center and CME Science. The University Medical Center is accredited by the NSMA to provide continuing medical education for physicians. University Medical Center of Southern Nevada designates this educational activity for a maximum of 17.5 category 1 credit towards the American Medical Association’s Physician Recognition Award. Each physician should claim only those credits that he/she actually spent in this activity.

It is the policy of University Medical Center of Southern Nevada to ensure balance, independence, objectivity and scientific rigor in all of its individually sponsored or jointly sponsored educational programs. Dr. Stoller has disclosed that he has no actual or potential conflict of interest in relation to this program, and he has disclosed that he will not discuss off-label usage of pharmaceuticals or medical devices during his presentations.
