21st Annual Scientific Meeting of the Singapore Radiological Society and College of Radiologists, Singapore

Our 21st Annual Scientific Meeting (ASM) will be held on 11th and 12th of February 2012 at the Tan Tock Seng Hospital Auditorium. This year’s theme will be "Breast and Thoracic Imaging: Where do we go from here?"

With advances in technology, come earlier and more accurate detection, diagnosis and treatment. Has this made life simpler or more difficult for us? Come and join us for the latest updates and stimulating discussions in breast and thoracic imaging.

In addition, there will be a refresher course running parallel to the main conference. Radiographers, therapists and nurses will also have focused tracks run specially for them. A special one day symposium on Stereotactic Lung Radiotherapy for radiation oncologists will also be incorporated into the ASM. Registration forms can be downloaded from here (LINK)

Look out for further updates soon.

Participants are invited to submit their abstract(s) for consideration by the scientific committee. Abstract submission forms can be downloaded from here (LINK)

Young Investigator Award
This award is open to all radiology trainees aged 35 years or less (as at 1st January 2012) presenting an oral paper based on research performed in Singapore.

Best Free Paper and Best Poster Awards
These awards are open to all registrants presenting a paper or poster. The research need not necessarily be conducted in Singapore.

Preparation of Abstract
- All abstracts must be submitted in English and be of not more than 250 words. The abstracts submitted in Microsoft Word format.
- Abstract Specification:
  - Paper Size: A4: Portrait
  - Font: 12-point size, Times New Roman
- The title should be in capital letters and bold print. Do not centralise.
- The authors’ family names in full, name in initials, their institutions, cities and countries should be listed immediately beneath the abstract title, typed in upper and lower case and single-spaced without using full-stops. The presenter’s name is to be underlined.
- The text of the abstract must include section headings such as “Objectives”, “Materials and Methods”, “Results” and “Conclusion”. The section headings should appear in bold.

Note to All Presenters
- Abstracts will ONLY be accepted upon receipt of registration and payment for the 21st ASM.
- The Organising Committee reserves the right to amend or change any part of the submission guidelines without prior notice.
