Nuclear Medicine Satellite Course “Diamond”

March 29 – 30, 2014
Davos, Switzerland

Satellite Course is in conjunction with the 46th IDKD 2014 on Diseases of the Abdomen and Pelvis
Preliminary Program
Scientific Program

Nuclear Medicine Satellite Course “Diamond”

Duration
Saturday, March 29, 2014: 09.45 – 18.30
Sunday, March 30, 2014: 09.00 – 12.15

Target Audience
- Nuclear Physicians / Radiologists
- Nuclear Medicine / Radiology residents and fellows
- Interested clinicians
- Nuclear Medicine technicians with advanced competences / interests

Course Objectives
1. Teach the participants effective approaches in analysing diagnostic imaging challenges in patients with diseases of the abdomen and pelvis using Nuclear Medicine imaging techniques
2. Allow participants in guided self study to recognise key imaging features of various diseases
3. Teach participants in which setting which imaging examination is most effective
4. Offer participants to interact with top international experts in the fields Nuclear Medicine imaging of diseases of the abdomen and pelvis

Course Principles
Workshops with short introduction to the topic followed by case-based interactive discussion with the audience. Each participant attends all workshops.

Workshops

1. Imaging and Therapy of Neuroendocrine Tumors of the Abdomen
   Richard P. Baum, DE

2. PET in Hepato-Biliary-Pancreatic Tumors
   Stefano Fanti, IT

3. PET Imaging in Prostate Cancer
   H. Alberto Vargas, US

4. Tumors of the Adrenergic System: Imaging and Therapy
   Cornelis A. Hoefnagel, NL

5. Lymphoma: Management Using PET/CT
   Niklaus Schaefer, CH

6. PET in RT Planning of GI and GU Tumors
   Annika Loft, DK

Nuclear Medicine Satellite Course Advisor
Gustav K. von Schulthess, Zurich, Switzerland

CME Credits
An application has been made to the EACCME® for CME accreditation of this event. The Swiss Society of Radiology is expected to designate the Course with 10 cat. 1 points. The Swiss Society of Nuclear Medicine is expected to designate the Course with 12 cat. 1 points.

IDKD on the Internet
Visit our website: www.idkd.org for further information, online registration and accommodation bookings. Online registration and accommodation bookings accepted from October 2013.
