ESTI 2008
May 30 – June 1, 2008

16th Annual Meeting
of the European Society of Thoracic Imaging

Nice, France
Dear Colleagues and Friends,

The 16th Annual Meeting of the European Society of Thoracic Imaging will take place in Nice from May 30th to June 1st 2008.

It is my privilege and pleasure to invite you to join this event and take advantage of the presence of the best European experts in the field of Thoracic Imaging. The programme, covering all main topics of the subspecialty, will provide an overview of the current trends in research and will include state of the art sessions, scientific presentations, refresher courses, a film reading session, round table discussions and a multidisciplinary approach to decision making strategies.

Nice is the pearl of the French Riviera, located in the middle of superb and attractive surroundings. The meeting will be held in the Le Meridien Hotel located on the ‘promenade des anglais’, facing the sea and close to the old city.

I hope most of you will come and participate in the programme to make the meeting a memorable event.

Philippe A. Grenier
President of ESTI
