International Institute for Continuing Medical Education, Inc.

October — December 2008 Schedule

We are proud to announce our Winter 2008 Course Schedule. The seven course offerings are very diverse in subject matter and feature both spectacular faculty and locations.

Inside . . .

October 2 - 5  Musculoskeletal & Body Imaging; What You Need to Know
Amelia Island Plantation • Amelia Island, Florida

October 11 - 18  Cruising with the Masters: Mammo in the Mediterranean II: New Waves in Breast Imaging
Voyager of the Seas • Western Mediterranean Cruise

October 13 - 15  Mount Sinai Update 2008: Breast Imaging
Marriott New York East Side • New York, NY

October 16 - 19  Mount Sinai Update 2008: Brain, Spine, Neurovascular & ENT Imaging
Marriott New York East Side • New York, NY

October 20 - 23  State of the Art: Cardiac CT and Virtual Colonoscopy
The Fairmont Sonoma Mission Inn & Spa • Sonoma, CA

November 5 - 8  20th Annual Update in Breast Imaging
Casa Monica Hotel • St. Augustine, FL

December 8 - 11  Breast Imaging in the Big Apple
Marriott East Side • New York, NY
What a year! 2008 so far has been great. We hope to see all of you at one of our courses this year. Inside this brochure, you will find many courses sure to pique your interest. Here’s a quick look at what’s ahead for 2009. New locations along with additional course offerings with you in mind. More information about these programs can be found online at www.iicme.net as soon as the final program and other details are finalized. Our website is updated on a frequent basis, so check back often!

We invite you to join our iiCME Family and mailing list while online to receive discounts on DVD courses, reduced registration fees, get email alerts and other member benefits. We have just started our “Early Bird Specials” where the first people to register receive a free color syllabus or additional discount! We encourage you to submit any suggestions which will help us to provide you what you need . . . CME credit.

January 12-15  
RADIOLOGY ESSENTIALS: The Basics of Body, Musculoskeletal, Neuro, Pediatric, and Chest Imaging  
Program Director: Robert Quencer, M.D.  
The Westin Resort & Spa - Los Cabos, Mexico  
August 10-13  
MUSCULOSKELETAL IMAGING IN ASPEN  
Program Director: Robert D. Boutin, M.D.  
St. Regis Resort - Aspen, Colorado

January 19-22  
NEURO/ENT AT THE BEACH  
Program Director: C. Douglas Phillips, M.D.  
The Breakers Resort - West Palm Beach, FL  
September 24-27  
21ST ANNUAL UPDATE IN BREAST IMAGING  
Program Director: Ellen Shaw de Paredes, M.D.  
Kingsmill Resort & Spa - Williamsburg, VA

February 18-22  
INTERNAL DERANGEMENTS OF JOINTS  
Program Director: Don Resnick, M.D.  
Hotel Del Coronado - Coronado, CA  
October 5-7  
CARDIAC CT  
Program Director: Charles White, M.D.  
New York Marriott Eastside - New York, NY

March 23-26  
NEURO/ENT REVIEW AND UPDATE  
Program Director: Peter Som, M.D.  
Naples Grande Beach Resort - Naples, Florida  
October 8-11  
MUSCULOSKELETAL MR  
Program Directors: Clyde Helms, M.D. & Nancy Majors, M.D.  
New York Marriott Eastside - New York, NY

March 26-29  
MUSCULOSKELETAL IMAGING: A PRACTICAL REVIEW  
Program Director: Thomas Pope, M.D.  
Naples Grande Beach Resort - Naples, Florida  
October 12-14  
MT. SINAI UPDATE 2009: BREAST IMAGING  
Program Director: Stephen Feig, M.D.  
New York Marriott Eastside - New York, NY

March 30 - April 2  
BREAST IMAGING 2009  
Program Director: Micheal Linver, M.D.  
Naples Grande Beach Resort - Naples, Florida  
October 15-18  
MT. SINAI UPDATE 2009: BRAIN, SPINE, NEUROVASCULAR & ENT IMAGING  
Program Directors: Peter Som, M.D. & Thomas Naidich, M.D.  
New York Marriott Eastside - New York, NY

April 2-5  
CORONARY CT ANGIOGRAPHY: CLINICAL PRACTICE AND REVIEW OF 50 CASES  
Program Director: Andre Deurinckx, M.D.  
Naples Grande Beach Resort - Naples, Florida  
November 2-4  
EMERGENCY RADIOLOGY  
Program Director: Robert Quencer, M.D.  
The Biltmore Hotel - Coral Gables - Miami, FL

May 22 - 24  
ADVANCED ORTHOPEDIC IMAGING  
Program Director: Robert D. Boutin, M.D.  
Fairmont San Francisco - San Francisco, CA  
December 14-16  
BREAST IMAGING IN THE BIG APPLE  
Program Director: Michael Linver, M.D.  
New York Marriott Eastside - New York, NY

August 3-6  
NEURO IN ASPEN  
Program Directors: Alicia Gean, M.D. & Nancy Fischbein, M.D.  
St. Regis Resort - Aspen, Colorado
DESIGNATION STATEMENT
The International Institute for Continuing Medical Education, Inc. designates each educational activity for a between 15.0 and 20.0 AMA PRA Category 1 Credits™ (see individual programs). Physicians should only claim credit commensurate with the extent of their participation in the activity.

ACCREDITATION
The International Institute for Continuing Medical Education, Inc. is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AIR TRAVEL DISCOUNTS
American Airlines is pleased to offer all attendees the following special discounted fares for domestic flights:

- 5% off applicable fares, AA/oneworld only
- 10% off full coach fares, AA/oneworld only
- 10% off business fares, AA/oneworld only
- 10% off first class fares, AA/oneworld only
- 10% off premium fares, AA/oneworld only

To take advantage of these offers, please call American Airlines directly and refer to the following authorization number listed with the individual course information. Call 1-800-433-1790 with the corresponding authorization code.

RENTAL CARS: HERTZ
CV#01VA0139
Hertz is our official rental car supplier. Special low rates have been negotiated to reduce your travel costs. Call the Hertz Convention Control Center at (800) 654-2240. Refer to the CV# above.

SPECIAL NOTE TO THE DISABLED
The International Institute for Continuing Medical Education, Inc. wishes to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids or services. If you need any auxiliary aids or services identified in the Americans with Disabilities Act, please indicate so on your registration form.

EASY WAYS TO ENROLL
FAX: Fax your completed registration to (205) 467-3199. Please be sure to include your MasterCard, VISA, American Express or Discover information, including signature and expiration date. This is all that is necessary; please do not mail a duplicate form.

MAIL: Mail the completed registration form, including credit card information or your check payable to the course code listed in the Course Enrollment Section for the program you plan to attend to: International Institute for Continuing Medical Education, Inc., P.O. Box 350, Springville, AL 35146.

INTERNET: Visit our web site to register online using our SSL encrypted secure server, preview other courses or request brochures. http://www.iicme.net.

FOR MORE INFORMATION
Contact the International Institute for Continuing Medical Education, Inc., Monday - Friday, 8:30 a.m. to 5:00 p.m. CST; P.O. Box 350, Springville, AL 35146; Tel. (205) 467-3158, ext. 101 or 102; Fax (205) 467-3199. E-mail: info@iicme.net – Internet address: http://www.iicme.net

DISCLOSURE STATEMENT
It is the policy of the International Institute for Continuing Medical Education, Inc. to comply with the Accreditation Council for Continuing Medical Education (ACCME) Standards for commercial support of CME activities. All faculty participants in IICME programs are required to disclose to the program audience any real or apparent conflict(s) of interest related to this meeting or its content. Faculty disclosure forms are included in the course syllabus and are available at the registration desk for participating review. In addition, faculty disclosure will be made at the beginning of each lecture.

DISCLAIMER
The International Institute for Continuing Medical Education, Inc., as sponsors of this meeting, claim no responsibility for the acts of any supplier to this meeting nor for the safety of any attendee while in transit to or from this event. The total amount of liability during the meeting will be limited to a refund of the attendance fee. Purchase non-refundable airline tickets at your own risk.

COURSE DESCRIPTION
This course is an overview of the most important practical aspects of musculoskeletal imaging and body MRI. Included are discussions of MR and radiographic imaging of all of the major joints, as well as discussions on infection and tumors. Information will be provided on technique and interpretation of body MR imaging, with emphasis on the major organs.

EDUCATIONAL OBJECTIVES
At the completion of this course, the participants will be able to:

• Describe the most important aspects of musculoskeletal imaging, with an emphasis on MRI
• Review the common musculoskeletal tumors.
• Delineate MR imaging techniques related to body and breast imaging.
• Outline the pertinent aspects of musculoskeletal infection.

TARGET AUDIENCE
This course is intended for all radiologists with a special interest in MSK and Body Imaging, orthopedists, sports medicine and internists. The faculty is comprised of nationally recognized expert teachers of Breast Imaging with a broad breadth of experience and knowledge in this field.

FEES, REFUNDS & REGISTRATION
FEES: The fees for Musculoskeletal & Body Imaging: What You Need To Know (Thursday through Sunday, October 2 - 5, 2008) are: $750 for physicians if your registration is postmarked by September 1, 2008. After that date, the fee is $795. For Residents, Fellows, Retired, Military, and Technologists the fee is $550 or $595 if your registration is postmarked after September 1, 2008. A letter of verification from the Department Chairman must accompany the application of anyone wishing to qualify for the reduced rate. Enrollment will be confirmed on the basis of registration fee. We do not process registration without payment. We cannot guarantee course materials on site for a registration received after September 1, 2008.

REFUNDS: Cancellations received in writing by May 19, 2008, will receive a refund minus a $75 handling fee. There will be no refunds for cancellations received after that time.

REGISTRATION: Registration will take place on Thursday between 7:00 a.m. in the foyer of the hotel.

PLEASE NOTE: You will receive registration confirmation via regular mail from the International Institute of Continuing Medical Education, Inc. approximately two weeks after your registration is received. Sorry, we are unable to confirm your registration by fax or email.

HOTEL INFORMATION
Nature embodies all that is Amelia Island Plantation. Nestled among centuries-old Live Oaks, the majestic maritime forest, tranquil salt marshes and the beauty of the Atlantic Ocean; our resort community exemplifies environmental sensitivity and the luxury of a leisure lifestyle.

Meticulously preserved since 1971, Amelia Island Plantation set the standard for development “In Harmony With Nature.” The owners set upon a mission to find the optimum fit between man’s habitat and the existing natural environment, including animal life and plant ecology on this fragile barrier island in Northeast Florida. The result was a master plan to protect tidal marshes, conserve oceanfront dunes, grassland and savannahs. An unprecedented 40-foot wide strip of natural vegetation was added as a buffer to all waterways allowing them to remain a wildlife refuge, travel corridors and food sources.

In order to protect these standards, covenants were put into place that the resort company and property owners would have to adhere to in order to build and live within this magnificent setting. Each building, courtyard, terrace or boardwalk is placed with the natural environment in mind, making sure that each structure is set within nature’s arms instead of distracting from it. The philosophy that each entity on the resort “embraces its site and becomes one with it” is still the mission and the reason Amelia Island Plantation has remained the pristine environment that it is.

Amelia encourages guests of the property to take advantage of the natural environment we hold so dear. A wide variety of guided environmental tours with staff naturalists gives a hands-on experience to all ages.

University of Chicago
Chicago, Illinois

Robert A. Schmidt, MD
Professor of Radiology
Director of Breast Imaging Research
University of Chicago
Chicago, Illinois

7 Night Classic Mediterranean Cruise
Royal Caribbean
Voyager of the Seas

The Mediterranean has always been celebrated for its sunlit beauty and its mouth-watering cuisine. You won’t be disappointed by this beautiful region. Its cities and towns are as charming as its people. Ports of Call: Barcelona, Spain • Nice (Villefranche), France • Florence/Pisa (Livorno), Italy • Naples/Capri, Italy • Sicily (Palermo), Italy

RATES: Inside from $899pp, Oceanview from $1299pp, Balcony from $1399pp, Mini Suites from $1799pp. A deposit of $400.00 per person is required Call Bob Newman NOW!

COURSE DESCRIPTION
This course provides a balanced overview of the basics of more traditional breast imaging, blended with the newest state-of-the-art breast imaging techniques and modalities. Special attention will be given to Breast MRI and Full Field Digital Mammography, as well as newly evolving technologies such as Tomosynthesis, and Whole Breast Ultrasound.

EDUCATIONAL OBJECTIVES
At the completion of this course, the participants will be able to:

• Review the basic principles of screening mammography.
• Outline the current applications of breast ultrasound in diagnostic, screening, and interventional settings.
• Describe the major aspects of breast MR imaging techniques, biopsy techniques, and current indications.
• Delineate current and future applications of Full Field Digital Mammography and CAD.
• Appreciate the evolving role of Tomosynthesis and Whole Breast Ultrasound.
• Discuss the current medical and legal concerns regarding the missed breast cancer.
• Assess ways breast imagers can gain their patients’ trust.

TARGET AUDIENCE
This course is designed for radiologist, cardiologist, gastroenterologists, and radiology technologists.

FEES, REFUNDS & REGISTRATION
Note: In order to attend the courses you MUST book your cruise through Bob Newman at CruiseBrothers. THERE WILL BE NO WALK-UP REGISTRATIONS ACCEPTED ON THE SHIP.

For physicians, the fee for Cruising with the Masters: Hot Topics in Body Imaging (Saturday - Saturday, July 12 - 19, 2008) is: $995 for registrations completed on or before June 12, 2008. After June 12, 2008 the fee will be $1050. For Residents, Fellows, Retired or Military Physicians, Technologists, Nurses, or Allied Health Personnel, the fee is: $795 if your registration is completed on or before June 12, 2008. After June 12, 2008 the fee will be $850.

REFUNDS: Full refunds, less a $75 service charge, will be made to those presenting the International Institute for Continuing Medical Education, Inc. with written notification of cancellation by June 12, 2008. After that date, no refunds will be given.

HOTEL: Hotel arrangements for the land portion of this course can be made with the Arts Hotel Barcelona. Visit our website at www.iicme.net for more information.

**Course Description**
This CME program is designed to cover clinical aspects of breast imaging including conventional and digital mammography, breast ultrasound, breast MRI, and interventional procedures, as well as economic and medicolegal issues. The faculty consists of eight nationally and internationally recognized experts. The program of lectures and panel discussions will be filled with “take home” information that should benefit every breast imaging practice.

**Target Audience**
This course is designed for radiologists who interpret breast imaging studies and perform breast interventional procedures. Physicians in other specialties involved with the diagnosis and treatment of breast diseases, medical physicists, mammography technologists, breast center administrators, and other health care professionals will also benefit from this course.

**Course Objectives**
At the completion of the course, the participant should be able to:
1. Discuss the latest ACR BI-RADS terminology for breast abnormalities seen on mammography, ultrasound, and MRI.
2. Develop a systematic approach to the assessment of calcifications and masses seen on mammography.
3. Comprehend the latest innovations in biopsy devices and clinical significance of core biopsy histology results.
4. Articulate the evolving role of ultrasound and MRI in screening, problem solving, and staging.
5. Assess the current technologic and clinical status of digital mammography, computer-aided detection (CAD), breast MRI, nuclear medicine, breast CT, and thermography.
6. Reduce their risk of false negative interpretation and malpractice litigation.

**Hotel Information**
The New York Marriott East Side hotel offers a smart and stylish atmosphere gloriously restored with contemporary flair. This Midtown Manhattan hotel surpasses expectations of business, leisure and meeting guests with the convenient location, classic yet contemporary style, and a comfortable setting. The East Side Marriott hotel is easy walking distance to Times Square, Grand Central Station, and is minutes from Madison Avenue and Fifth Avenue. This architectural jewel has been re-designed to reflect its magnificent art-deco past, and the newest renovations feature the new Fitness Center with state-of-the-art equipment located on the 35th floor with panoramic views of New York City, the new Concierge Lounge on the 16th floor with striking views of Manhattan, and Revive Marriott’s new bedding in all guest rooms.

OFFICE RECD CONF: AMT: CHK:
This course is designed for neuroradiologists, general radiologists, and clinicians who have an interest in imaging of the brain, spine, and head and neck. The case material shown will include a wide spectrum of the diseases that affect these areas. The specific utilization of CT, MRI, MRS, perfusion-diffusion and permeability imaging in the investigation of these diseases will be discussed. In each section, the imaging protocols, anatomy, pathology, and the clinically relevant differential diagnoses will be reviewed. This course will improve the participant’s ability to analyze CT and MR images, to offer a pertinent differential diagnosis, and to be familiar with the newest technologies applied to these regions.

EDUCATIONAL OBJECTIVES

At the completion of this course, the participants will be able to:

1. To present the essential anatomy and imaging protocols necessary to arrive at a diagnosis of the diseases of the central nervous system and head and neck.
2. To familiarize the participant with both the common and uncommon CNS and ENT diseases.
3. To develop a differential diagnosis for each area that relates to the pertinent imaging and clinically relevant findings.
4. To review the application of the newest imaging techniques to these areas.
5. To improve the imaging skills of all of the course participants.

TARGET AUDIENCE

1. Board certified general radiologists interested in neuroradiology and head and neck imaging.
2. Neuroradiologists
3. Radiology residents and Fellows-in-training
4. Practicing physicians in general neurology, neurosurgery, otolaryngology, and related clinical subspecialties who desire to familiarize themselves with the current role of imaging.
5. Allied health care professionals who desire to have an update on recent imaging advances and the use of imaging as an aid to clinical patient management for diseases of the brain, spine, and head and neck.

FEES, REFUNDS & REGISTRATION

FEES: For Update: Brain, Spine, Neurovascular & ENT Imaging (Thursday - Sunday, October 16-19, 2008), the fee for physicians is $950 for registrations postmarked by September 16. After that date, the fee is $995. For Residents, Fellows, Retired or Military Physicians, Technologists, Nurses, or Allied Health Personnel, the fee is $795 before or $850 after September 16, 2008.

For Both Courses, the fee for physicians is $1645 for registrations postmarked by September 13 or $1695 thereafter; for Residents, Fellows, Retired or Military Physicians, Technologists, Nurses, or Allied Health Personnel, the fee is $1245 before or $1295 after September 13, 2008. Tuition includes all course materials (including a comprehensive syllabus) and daily refreshment breaks.

Enrollment is confirmed on the basis of receipt of registration fee. We do not process a registration without payment. We cannot guarantee the availability of course materials on site for registrations received less than one month before the first day of the meeting.

REFUNDS: Full refunds, less a $75 service charge, will be made to those presenting IICME, Inc. with written notification of cancellation by September 13, 2008. After that date, no refunds will be given.

REGISTRATION: Registration check-in will take place in the hotel ballroom foyer from 7:30 to 7:50 a.m. on Monday, October 13, 2008 and also on Thursday, October 16, 2008.

PLEASE NOTE: If the course is sold out when we receive your registration, you will be notified immediately. You will receive a registration confirmation via regular mail from IICME, Inc. approximately two weeks after your registration is received. SORRY, BUT WE ARE UNABLE TO CONFIRM YOUR REGISTRATION BY FAX. If you register online you will also receive an email confirmation that the registration was received. This only applies to registrations received online.

COURSE DESCRIPTION
This four day course will include body imaging and will provide extra focus on two of the most timely topics in this field, Cardiac CT and Virtual Colonoscopy. The Cardiac CT component will include 50 dedicated supervised cases per ACR credentialing requirements. Dedicated lectures will be given on virtual colonoscopy.

EDUCATIONAL OBJECTIVES
At the completion of this course, the participants will be able to:
1. Describe technical aspects of Cardiac CT and disease processes for which Cardiac CT can be used.
2. Review noninvasive colonic assessment with virtual colonoscopy.
3. Discuss radiographic patterns of diffuse lung disease and other pulmonary disease.
4. Review 50 mentored Cardiac CT cases.

TARGET AUDIENCE
The target audience is radiologists, cardiologists, gastrointestinologists, and radiology technologists.

FEES, REFUNDS & REGISTRATION
FEES: The fee for State of the Art: Cardiac CT and Virtual Colonoscopy (Monday through Thursday, October 20 - 23, 2008) is $850 for physicians if your registration is postmarked by September 20, 2008. After that date, the fee is $895. For Residents, Fellows, Retired, Military, the fee will be $695.00 and $750.00 after deadline. For any Technologists/Allied Health Prof. the fee is $595 or $650 if your registration is postmarked after September 20, 2008. A letter of verification from the Department Chairman must accompany the application of anyone wishing to qualify for the reduced rate. Enrollment will be confirmed on the basis of registration fee. We do not process registration without payment. We cannot guarantee course materials on site for a registration received after September 20, 2008.

REFUNDS: Cancellations received in writing by September 20, 2008, will receive a refund minus a $75 handling fee. There will be no refunds for cancellations received after that time.

REGISTRATION: Registration will take place on Monday from 7:00 - 7:30 a.m. in the foyer of the hotel.

PLEASE NOTE: You will receive registration confirmation via regular mail from the International Institute of Continuing Medical Education, Inc. approximately two weeks after your registration is received. Sorry, we are unable to confirm your registration by fax or email.

AIR TRAVEL: To take advantage of these offers, please call American Airlines directly and refer to the following authorization number. Call 1-800-433-1790 — Authorization Number A41H8AA

HOTEL INFORMATION
The Fairmont Sonoma Mission Inn & Spa, a historic spa destination in the heart of the California Wine Country, has completed a sweeping re-creation of its legendary spa. Completely rebuilt for the new Century, the spa’s inspiring new architecture reveals pools, baths, and treatment areas unique in the West. It is a true spa, created in the grand European tradition and based on the benefits of the property’s thermal mineral springs.

Along with new spa facilities, the Inn also has an 18-hole championship golf course, a variety of dining options, business services and activities for the entire family to enjoy.

**STATE OF THE ART: CARDIAC CT AND VIRTUAL COLONOSCOPY**  
**OCT 19-23, 2008**
COURSE DESCRIPTION
This CME program’s topics are focused in the areas of diagnosis, management and new technologies and range from interpretation of mammography to medicolegal issues and practice management to MRI of the breast. The faculty consists of four nationally and internationally recognized experts. The format includes didactic lectures, workshops and panel discussions allowing for audience participation. On two afternoons optional film reading sessions will be held for additional hours of credits.

EDUCATIONAL OBJECTIVES
At the completion of this course, the participants will be able to:
• Update their skills in image interpretation.
• Understand the roles and limitations of new imaging techniques.
• Apply knowledge of management issues to their practice settings.
• Appreciate the current medicolegal, economic, and practice issues in breast imaging.

TARGET AUDIENCE
This course is designed for practicing radiologists who interpret breast imaging. The course may also be of benefit to mammography technologists and physicists.

FEES, REFUNDS & REGISTRATION
FEES: The fee for Breast Imaging (Wednesday through Saturday, November 5 - 8, 2008) is $700 for physicians if your registration is postmarked by October 5, 2008. After that date, the fee is $750. For Residents, Fellows, Retired, Military, and Technologists the fee is $500 or $550 if your registration is postmarked after October 5.2008. A letter of verification from the Department Chairman must accompany the application of anyone wishing to qualify for the reduced rate. Enrollment will be confirmed on the basis of registration fee. We do not process registration without payment. We cannot guarantee course materials on site for a registration received after October 5, 2008.

REFUNDS: Cancellations received in writing by October 5, 2008, will receive a refund minus a $75 handling fee. There will be no refunds for cancellations received after that time.

REGISTRATION: Registration will take place on Wednesday 7:30-8:00 a.m. in the foyer of the hotel.

PLEASE NOTE: You will receive registration confirmation via regular mail from the International Institute of Continuing Medical Education, Inc. approximately two weeks after your registration is received. If you register online, you will receive your confirmation by email. Sorry, we are unable to confirm your registration by fax.

HOTEL INFORMATION
In the heart of St. Augustine, Florida—the nation’s oldest city—the Casa Monica Hotel is a majestic 1888 landmark. Rising like a Spanish castle overlooking Matanzas Bay, the city’s only AAA Four Diamond hotel welcomes guests into a setting of regal beauty and inspired service. Restored in 1999, the Casa Monica Hotel blends a legendary past with contemporary pleasures.

Step inside the grand lobby into a rich décor of tapestries and chandeliers. Luxurious accommodations and concierge attention fulfill your every need. Dine in the renowned 95 Cordova restaurant and the Lounge at the Casa Monica Hotel, stroll to historic downtown attractions, or relax by the pool. Guests also enjoy privileges at the exclusive oceanfront Serenata Beach Club. Experience the unparalleled grandeur of the Casa Monica Hotel.

AIR TRAVEL: To take advantage of these offers, please call American Airlines directly and refer to the following authorization number. Call 1-800-433-1790 — Authorization Number A42N8AA
The rates quoted are run-of-house with the exception of any special bedroom types. All sleeping room rates are subject to state and local taxes, which are currently 9% and a resort fee, which is currently $14.00 per room, per night. Guests must call hotel reservations directly on or before October 4, 2008 to receive special group rate. Individuals must make a payment guarantee in some form with 14 days of making the reservation. If reservation is not guaranteed with a credit card number at the time it is made, or a deposit has not been received by the Hotel, the hotel can not guarantee that the reservation will be held. Cancellation must be made 14 days prior to day of arrival, otherwise a charge of one night's room and tax will be charged. Check in time is 4:00 pm and check out time is 11:00 am.

COURSE DESCRIPTION
This course provides a balanced overview of more traditional breast imaging, blended with the newest state-of-the-art breast imaging techniques and modalities. Special attention will be given to Breast MRI, Full Field Digital Mammography, and Breast Ultrasound, as well as newly evolving technologies such as MRI Spectroscopy, Molecular Breast Imaging, Tomosynthesis, and Whole Breast Ultrasound.

EDUCATIONAL OBJECTIVES
At the completion of this course, the participants will be able to:
- Review the basic principles of screening mammography for detecting early breast cancer.
- Outline the current applications of breast ultrasound in diagnostic, screening, and interventional settings for earlier detection and accurate diagnosis of breast cancer.
- Describe the major aspects of breast MR, including imaging techniques, biopsy techniques, and current indications, as an evolving new weapon in the war on breast cancer.
- Discuss the current medical and legal concerns regarding the missed breast cancer, in an effort to improve early detection of breast cancer.
- Delineate current and future applications of Full Field Digital Mammography and CAD as additional new tools for early detection of breast cancer.
- Understand the importance of IDEBI in the incorporation of Full Field Digital Mammography into clinical practice.
- Appreciate the role of MR Spectroscopy, Molecular Breast Imaging, Digital Breast Tomosynthesis, and Whole Breast Ultrasound in improving early detection of breast cancer in the future.

TARGET AUDIENCE
This course is intended for all radiologists with a special interest in Breast Imaging. The faculty is comprised of nationally recognized expert teachers of Breast Imaging with a broad breadth of experience and knowledge in this field.

DESIGNATION
The International Institute for Continuing Medical Education, Inc., designates this educational activity for a maximum of 18.0 AMA PRA Category 1 credits™. This includes 5.25 hours of Breast MRI, 4.5 hours of Full-Field Digital Mammography, and 3.0 hours of Breast Ultrasound. Physicians should only claim credit commensurate with the extent of their participation in the activity.

FEES, REFUNDS & REGISTRATION
FEES: The fee for Breast Imaging In The Big Apple (Monday through Thursday, December 8 - 11, 2008) is $950 for physicians if your registration is postmarked by November 8, 2008. After that date, the fee is $995. For Residents, Fellows, Retired, Military, the fee will be $750.00 and $795.00 after deadline. For any Technologists/Allied Health Prof. the fee is $695 or $750 if your registration is postmarked after November 8, 2008. A letter of verification from the Department Chairman must accompany the application of anyone wishing to qualify for the reduced rate. Enrollment will be confirmed on the basis of registration fee. We do not process registration without payment. We cannot guarantee course materials on site for a registration received after November 8, 2008.

REFUNDS: Cancellations received in writing by November 8, 2008, will receive a refund minus a $75 handling fee. There will be no refunds for cancellations received after that time.

REGISTRATION: Registration will take place on Monday from 7:30-8:00 a.m. in the foyer of the hotel.

PLEASE NOTE: You will receive registration confirmation via regular mail from the International Institute of Continuing Medical Education, Inc. approximately two weeks after your registration is received. If you register online, you will receive your confirmation by email. Sorry, we are unable to confirm your registration by fax.

HOTEL INFORMATION
There’s no better place to stay than the New York Marriott East Side hotel.
